2017**

“Pat Dolan, our June presenter, finished the bear she did for the demo and sent us a photo of her finished piece. Note that "he's got more personality plus a friend whispering in his ear.”

AUGUST MEETING PRESENTATION

The August General Meeting will feature one of our favorite watercolor artists - **Roberta Rogers** from Tubac, presenting *Sixty Second Skies for Watercolor!*

Since it's monsoon season, Roberta will discuss various sky techniques for watercolor. She plans to show us about 6 to 8 fast and fun mini demonstrations using these techniques.

Roberta has been an Arizona resident since 1970, first in Flagstaff and now in Tubac. She specializes in watercolor landscapes and buildings of the southwest. Her work is recognized by its sparkling color, attention to detail, and remarkable views of subject matter. A third generation watercolorist, Roberta holds a Master's Degree in Art from California State University at Fresno. She is a juried member of the Northern Arizona Watercolor Society and a member of the Southern Arizona Watercolor Guild. Her work is found in private and corporate collections, and is available in Arizona galleries.
